**Borough Councillors Report**

A written report was issued to everyone present.

The report contained information relating to:-

- The Core Strategy
- The Boundaries Commission – although the information written in this report was confirmed as incorrect – see County Councillor report
- Thank you to Library Committee
- Speeding – SG would like to see a 20mph limit on Long Furrow

Q. How much Council tax are we paying to the Borough Council and has there been an increase.

A. Yes it has gone up.

Q. Can you tell me what the Core Strategy was all about ?

A. It is about land supply and building in certain areas. Modifications have been made – it is about safeguarding land.

Q. At our Council meeting in March – you said you would be investigating if anything can be done re the health and safety of the front area of Sims Public House – have you done anything ?

A – No I haven't been well for the last three weeks.

Q. Since being elected what have been your main achievements ?

A. I have dealt with housing issues, and have had a bin relocated, also I managed to raise £70 with the help of the “doll raffle” at the chemist.

Q Can you give examples of your help to the residents ?

A. No for confidential reasons.

Q. Advertising boards have been erected at a residential property – is this acceptable ?

A. The Chairman advised that this has been reported to the Borough Council planning

department.

Q. Has anything been done about the planned speed reduction and traffic calming measures for Melton Road via the Section 106 monies.

This was a County Council issue and Cllr Houseman advised that normally before schemes are implemented the Parish Council would be consulted. However if Cllr Preston forwards the details to Cllr Houseman giving information regarding the developer contribution he will investigate the progress with the scheme as the Section 106 is a legal document and conditions do have to be adhered to.

Q. There is a problem with cars parked along Ploughmans Lea – “nose to tail” and around the bend causing visibility problems.

A. The Chairman will ensure that the police are made aware of this issue.

The Clerk informed the meeting of details regarding the council tax and core strategy.

### **County Councillors Report**

A written report was issued to everyone present.

Cllr Houseman’s Report concentrated on the Medium Term Financial Strategy which is the key financial plan for the County Council. This was the most challenging MTFS that the Council has faced, probably since it was established 40 years ago. The Council tax will be increased by 3.99%. This includes a 2% increase allocated for Adult Social Care. LCC are the second lowest funded comparable Local Authority in England, which will make it very difficult for the Council to continue to deliver the services the same way as it has done in the past – LCC are challenging this.

The Council’s revenue budget for 2016/17 is £345m and £127m of this will be spent on Adult Social Care.

Cllr Houseman also gave out written information relating to the final recommendations for the new electoral division boundaries in Syston and Thurmaston.

The commission is proposing that the County Council should comprise of 55 Councillors.

Proposals for the Syston/Thurmaston area are as follows:-

**Syston Fosse**: will comprise of the parishes of Cossington, East Goscote, Queniborough, Ratcliffe on the Wreake, Rearsby, Thrussington and the Central Avenue area of Syston.

**Syston Ridgeway** – will comprise the parish of Wanlip, and the majority of Syston except for the Central Avenue Area.

**Thurmaston Ridgemere** – will comprise of the parishes Barkby, Barkby Thorpe, Beeby, South Croxton and Thurmaston.

Details of the closure of the M1 on Saturday 7<sup>th</sup> and 14<sup>th</sup> May were also given out in Written form to those present.

Cllr Houseman thanked the Council Staff who are very talented, all Councillors, the police and the village residents for their support. He said he was in his last year of service, and it had been a privilege to be our County Councillor.

Q. With the budget cut backs is there any possibility that the Bus Pass scheme will be withdrawn ?

A. To the best of his knowledge this would remain in place.

The Chairman thanked Councillor Houseman for his report.

**Matters arising by permission of the Chairman**

Councillor Castle publically thanked the Chairman Sally Lander for her hard work this past year. She said that since the Council breakdown – being left inquorate and the resignation of Mr Black (previous Chairman) she has built bridges with residents, given them someone to approach and made this Council a friendly and productive Council once again.

We now have an excellent working group who will continue to flourish and I am proud to say that I am a Councillor.

The Chairman agreed that this council is now thriving and will achieve a lot in the forthcoming year- all members being highly motivated and positive.

She thanked everyone for attending.

The meeting closed at 8.35pm
