There will also be new tennis, martial arts and shooting sessions as requested by you in Easter. You can also choose from cheerleading, den building, basketball and much more. We have exciting activities on offer, available at a number of venues across the borough, which will keep you entertained throughout the programme.

We strive to make our activities accessible for all; children with a disability are welcomed and encouraged to take part in all activities. Carers and parents are welcome to attend sessions. Please call on 01509 634592, should your child/children need extra support to discuss in further detail.

If you are unable to attend a booked session, we ask that you contact the Sport and Active Recreation Team on 01509 634673 at least 24 hours before the session so the place can be offered to someone else.

IMPORTANT INFORMATION FOR ALL ACTIVITIES

Age policy – The age ranges for each activity are strict and you cannot book your child if they are over or under the age restrictions. Please note that the Wild Card discount is only applicable for children aged 5-16. Children under the age of 8 **MUST** be accompanied by a parent/carer over the age of 16.

Drinks – For all activities, please send your child/children with a drink as there is not always a facility for this at all venues.

Staff - All staff are trained and have undergone enhanced Disclosure and Barring Service checks and are First Aid qualified.

Clothing - The weather during the holidays could be sunny, rainy or chilly. Please ensure that you/your child come dressed appropriately for the weather (jumpers/raincoats/wellington boots etc).

Collecting from sessions - We do not take responsibility for participants outside the hours of the session. **DO NOT** leave your children unaccompanied until the activity staff arrive. The staff at venues are **NOT** responsible for your children.

Please ensure that you complete the section on the booking form or advise when ringing to book if your child has permission to walk home alone from the session and will not be collected.

Children Under 5 - If a child under the age of 5 would like to attend a session, they must be accompanied by an adult or sibling over the age of 16. Please note that the Wild Card discount is only applicable for children aged 5-16.

Refunds Policy/Session changes - We will always endeavour to ensure that activity sessions operate as advertised in our activity brochures. However, we do reserve the right to cancel sessions due to circumstances beyond our control. In the event of a cancellation we will provide you with as much notice as possible. Should it be necessary for us to cancel an activity, you will receive a full refund. Card payments will be refunded back to your card. If you have paid by cheque or cash you will receive a cheque in the post.

In exceptional circumstances, it may be necessary to change the format of the activity on the day. We will endeavour to inform parents/guardians/participants prior to the commencement of the session.

The booking of activities is considered to be a commitment to attend. Due to the large amount of daily bookings processed we are unable to alter a booking once confirmed. A refund will only be given in exceptional circumstances e.g. serious illness/accident.
