

EAST GOSCOTE VILLAGE HALL ANNUAL REPORT 2019

SOLAR PANELS FITTED

On 22nd March 2019 Q energy fitted 12 JA Solar 320Wp rated solar panels to the roof of the village hall.

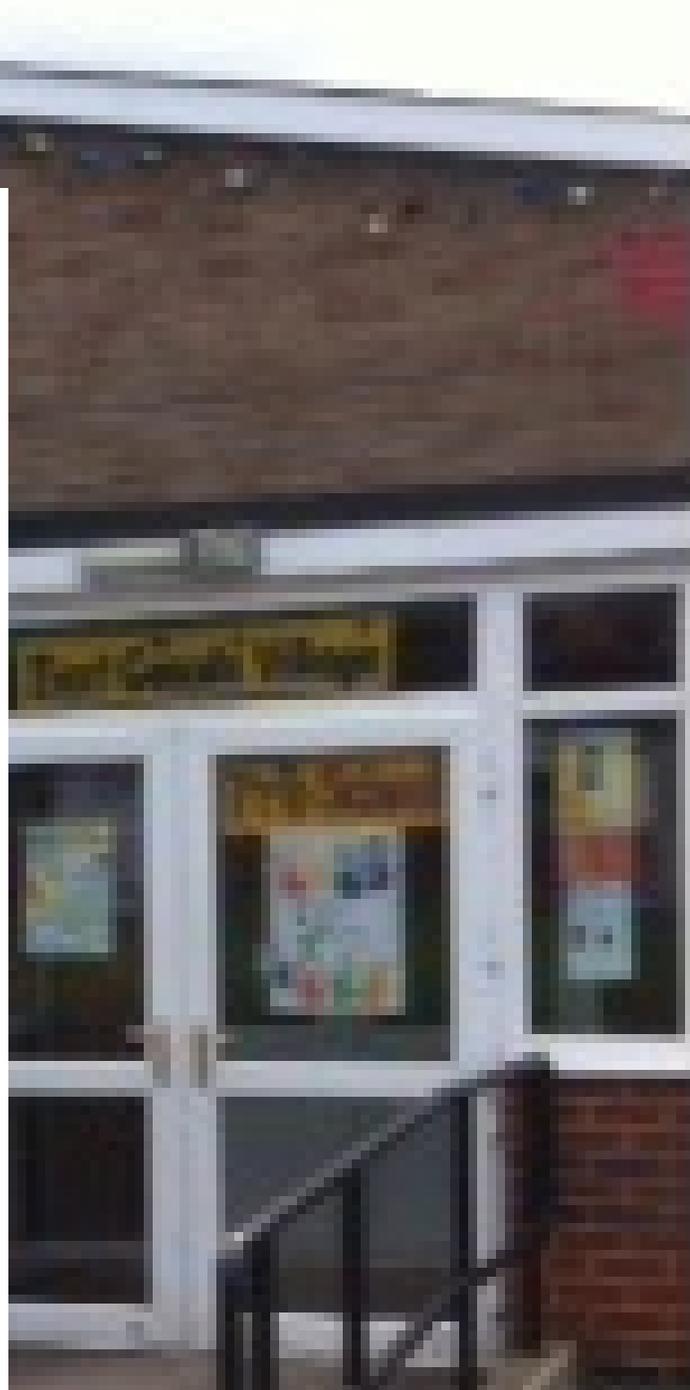

The village hall has been accepted under the Feed in Tariff and we are saving money on our electric bills.

8th APRIL 2020

BY C TAYLOR

Secretary

Village Hall Management Committee

A successful insurance claim meant that the village hall benefitted from new aluminium front doors, thus giving extra security to the front of the hall.

The Committee were successful in obtaining £500 from the Charnwood Members grant scheme and have placed an order for a new boiler which is being fitted in July 2020.

A new kitchen was fitted in April 2019 including door fronts, sinks and worktops

Summer works 2019

- Doors for kitchen hatch were fitted
- The village hall curtains were dry cleaned
- The boiler was serviced and a gas safety check carried out
- A new outside light fitted above kitchen door
- Connecting door was fitted into the disabled toilet from the parish office
- 10 new oblong tables were purchased
- 20 new blue plastic chairs were purchased

In November 2019, a donation of a defibrillator for the village hall was gratefully received from an anonymous donor. Thanks to East Goscote electrics for fitting free of charge.

The Committee agreed to put together their minutes and they are with the binders to have them bound.

The Committee also approved the installation of new blinds throughout the hall in April 2020.

Investing in our hall: Our records show that £24,987 was invested in 2018 and £17,027 in 2019

These figures are based on building maintenance work only. This is an amazing achievement for the hall.

Our thanks go to:

Members of the Management Committee:

M Baker	C Duffy
R Fraser	M Garner
L Pizer	N Shivers
C Taylor	

Thanks to everyone who hires the hall, especially our regular users who are;

Pocket Rocket Pre-School	Guides
Zumba	Brownies
Christian Church	Parish Council
Tetsudo	And all the party users

FOR THE YEAR AHEAD

We are looking at the installation of a new kitchen door and possibly a new oven.

The committee will work to continue to offer the excellent facility that is the East Goscote Village Hall.

Due to the Covid-19 pandemic, the village hall closed its doors in March 2020. The Management Committee have applied to Leicestershire County Council for funds to cover the loss of income, but unfortunately we were unsuccessful. The Committee hope the hall will continue to be well supported when the village hall reopens its doors.
