### **Borough Councillors Report**

Cllr Needham issued a written report which included the following topics:

- Land off Melton Road Planning permission for up to 270 houses was granted in August 2021 by the Planning Committee. It has recently been reported that Redrow homes has purchased the site, though building is still not expected to begin until next year at least. There will be a final consultation named a 'Reserved Matters' consultation, which is to inform how the site will look when completed.
- Charnwood Local Plan 2021-37 - The Local Plan sets out how much and what kind of development happens across the Borough from now until 2037. The final Local Plan was approved at Full Council in September 2021 by a majority of Councillors. Following this, CBC submitted the final Local Plan for examination in December 2021. This is now due to be heard by a government Inspector to ensure it is legally sound. The public will be able make representations to the independent Inspector during the examination. These hearings are due to commence on the 28 June.
- The Budget was approved at Full Council in February with the main points being: -
  - A rise in Council Tax of 9p per week for a band D property (average)
  - Savings of £800,000 being made, namely by reducing the opening times at the Southfields Offices and call centre and the ending of the Shopmobility scheme.
  - Increasing charges to generate £400,000 of income. These include raising bulky waste charges from £20 to £25 and garden waste charges rising to £50
- Council tax rebate – energy price increases Households in bands A- D will receive a £150 rebate in their Council Tax in light of the increased energy prices. If you pay by Direct Debit this will be automatically funded to your bank account from May.
- The vaccination centre has now permanently moved out of St Hilda's Church – it closed on 31st March 2022 after 13 months and over 75,000 vaccinations. Sincere thanks to Rev Tim, St Hildas and all the volunteers and clinicians who helped our village be part of the fight against Covid.
- Waste Strategy There is a public consultation running until April 25th about the future of waste and recycling collections in Leicestershire. The government are proposing lots of changes about how Local Councils will be expected to improve recycling rates including mandatory kerb side food waste collections
- Boundary Changes: The Local Government Boundary Commission England has produced it final report on the boundary changes for Charnwood Borough

Council. As on the local elections 2023, East Goscote will now be part of a three-member ward renamed 'Wreake Valley' which will include part of Syston, Queniborough, Rearsby, Thrussington, Cossington, Ratcliffe on the Wreake and South Croxton.

### **County Councillors Report**

A written report was issued to everyone with the agenda.

The last 12 months have again been dominated by covid-19 and its wider effects on society. The roll out of the vaccine has meant that the link between people getting covid and people subsequently being hospitalised with it has been broken, and that in turn led to the reducing and finally removal of restrictions we've seen since. Leicestershire County Council has been supporting communities throughout this time.

Leicestershire County Council has got together with the other 19 lowest funded authorities in the country to put pressure on government to reform local government funding. This group of authorities, known as the F20 Group, ultimately want fairer funding reform but as a first step is asking for a base level of funding for the lowest funded authorities to ensure the lowest funded authorities can at least improve their situation at a relatively smaller cost to central government.

In May 2021 I was honoured to be re-elected to serve as the County Councillor for Syston Fosse, I'd like to thank everyone who supported me and since then I've very much continued the job of working hard for everyone in the Division and being Syston Fosse's voice at County Hall. As part of that role since last June I've served as a Scrutiny Commissioner, examining the work of the County's Cabinet as well as what Leicestershire County Council is doing more broadly

Cllr Poland thanked the Parish Office staff, our Borough Councillor, and our MP Edward Argar.

### **East Goscote Village Hall Update**

All members received a copy of the annual report with their agenda.

Details included were:

- Village hall toilets have been refurbished
- New flat roof about the kitchen and office
- Grants received totalling £10,667.00 (COVID)
- Re-open fully in August 2021 with lots of bookings being taken
- Brownie Leader reaches 40 years' service to the 1<sup>st</sup> East Goscote Brownies.

Thanks were noted to the village hall committee and staff along with all the regular users of the hall whose funding helps us to make all the improvements to the hall. The Clerk informed the Council that she was working with Charlotte along with Leicester De Montfort University to look in more depth at the Carbon Footprint of the Village Hall. This is in initial stages – the VHMC are also investigating an updated energy audit.
