Dear Sir or Madam

### **NOTIFICATION OF ESSENTIAL MAINTENANCE WORKS A46 Ratcliffe on the Wreake Geotech**

I am writing to let you know that we will be carrying out essential maintenance works to the A46 southbound exit slip at Ratcliffe on the Wreake including repairing drainage on the main A46 carriageway adjacent to the exit slip road.

During our scheme of work, we will:

- repair damage to the drainage system
- tree felling and vegetation removal
- repairs to the embankment
- resurfacing of the slip road

Once completed, all road users will benefit from improved road safety.

#### **When will the work take place?**

Work is due to start **Mid February 2023** and is scheduled for completion by the **end of April 2023**.

Please note that all our planned roadworks may be subject to change due to weather conditions or unforeseen circumstances.

#### **How will the work affect traffic?**

To keep our programme for these works as short as possible and to minimise disruption to the local community, residents, businesses and road users, we will work under full slip road closures for the duration of the works with lane 1 closures as and when required on the A46 mainline.

During these closures fully signed diversion routes will be in place, which have been agreed with the Local Authority.

### **How will the work affect businesses and residents?**

We will make sure that access to businesses and residences is maintained wherever possible.

We apologise for any inconvenience caused and will do our very best to complete the work as quickly as possible, keeping disturbances and noise to a minimum.

### **Contact us**

If you have any questions or if you would like further information about this work, please contact our **Public Liaison Officer**, as follows:
