Dear Resident,

Location of works: Long Furrow and Ploughmans Lea, East Goscote.

Description of works: Carriageway Repairs.

I write to inform you that Leicestershire County Council contractors are due to carry out carriageway repair work on the above site commencing on 20th November 2023.

To enable our contractors to safely carry out the works we will need to temporarily close and restrict parking the above roads for a total up to 4 days. To minimise disruption the works will be carried out in 3 phases over 3 days, and the 4th is a contingency. The works are planned as follows;

Phase 1 – 20th November 2023

Phase 2 – 21st November 2023

Phase 3 – 22nd November 2023 – Works on Ploughmans Lea will be carried on this date also.

The works will be carried between the hours of 07.30 and 17.30, please be advised due to the nature of the works there will be some level of noise and disruption. This is unavoidable however, efforts will be made to keep this to a minimum.

Please follow the designated diversion route or ask an onsite traffic management marshal for assistance. Details of the closure and diversion can be found over leaf and on <https://one.network>

Access to your property will be restricted and delays are likely during this time particularly when it will be unsafe to negotiate open excavations and detrimental to travel on freshly laid hot surfaces and/or newly lined surfaces.

The date planned for these works are as firm as possible but could be subject to change due to poor weather conditions or unforeseen circumstances. During the works it is inevitable that some disruption may be caused, and I thank you in advance for your understanding. Should you have any queries concerning these works please contact me on the number detailed above.

Kind regards

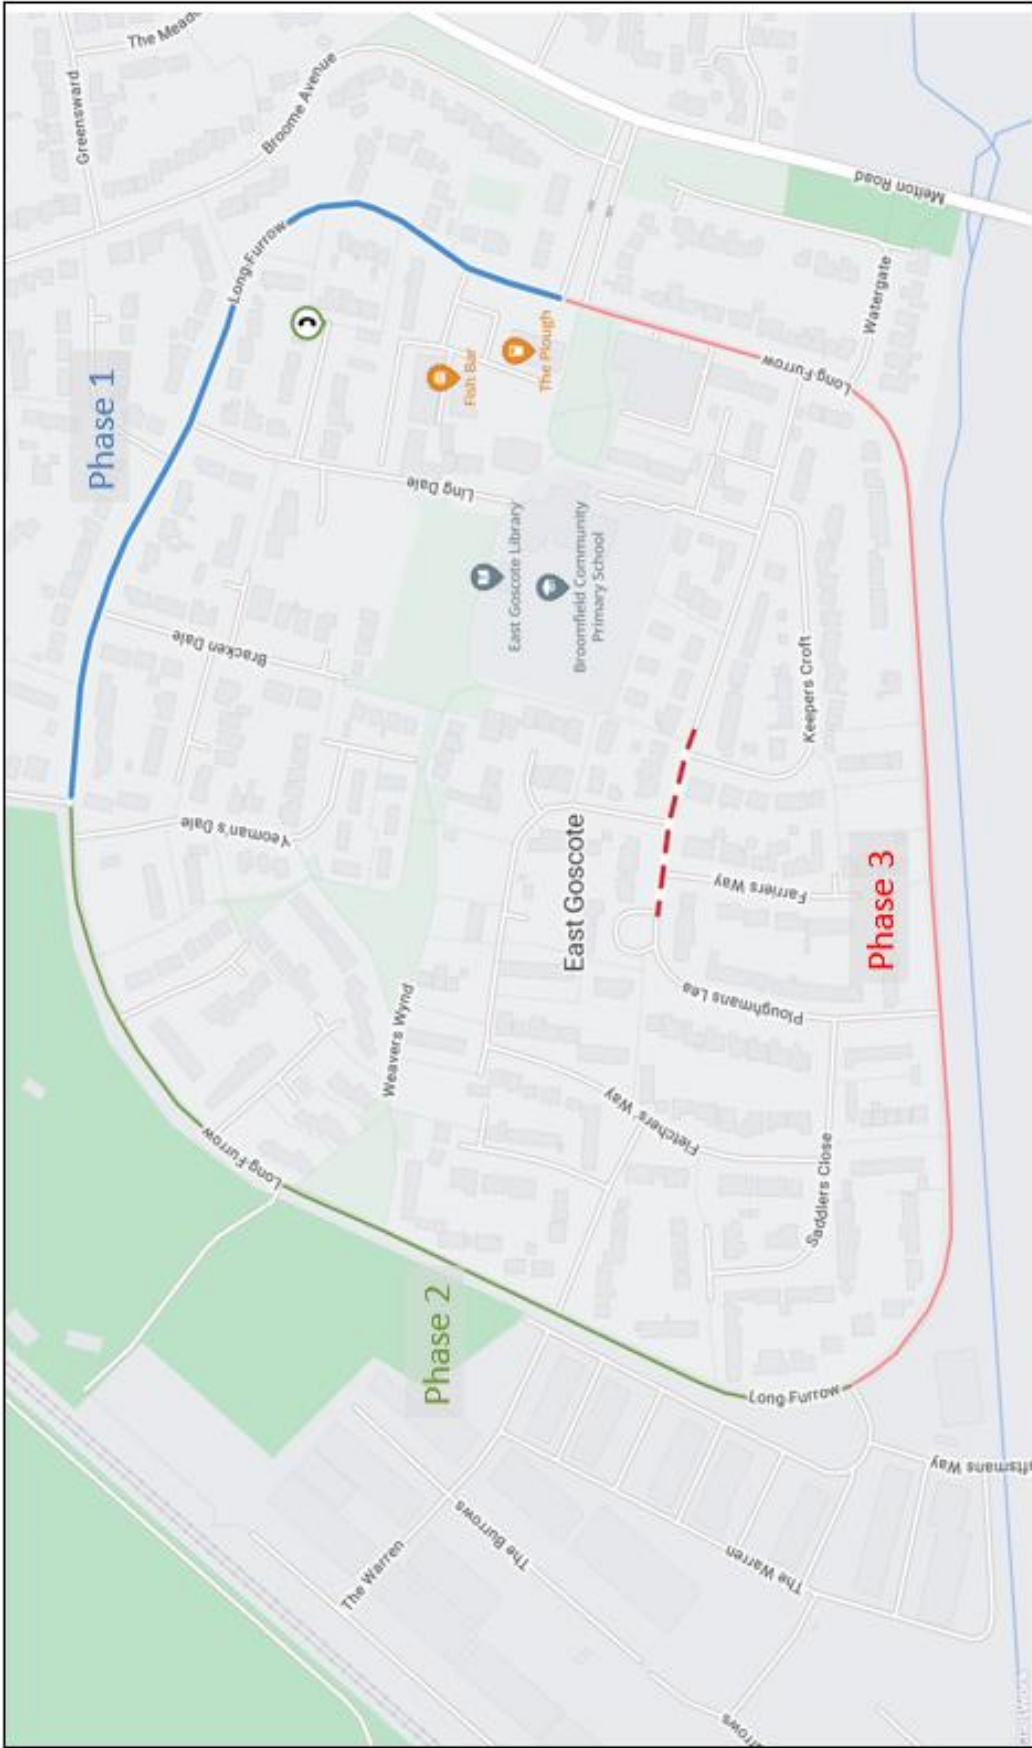

Tim Patel
